**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. I previously had Xfinity Comcast who was terrible. From customer service to the actual internet platform they provided. Always had outages and constant price increases. Other providers need to be allowed other than the ripoff companies like Comcast!
